## AN INVITATION TO ALL MEMBERS OF THE WORSHIPFUL COMPANY OF GLAZIERS

### **COME TO THE WELBECK WINTER WEEKEND OVER THE WEEKEND OF FRI/SAT/SUN 23/24/25 NOVEMBER 2018 AND VISIT THE REPOSITORY**

You will all know that since Summer 2017, the Stained Glass Repository has been located on the Welbeck Estate in North Nottinghamshire. The space that we now occupy is located in Unit 1, Tan Gallop, Harley Studios, and it is at the eastern end of the Tan Gallop building.

**Over the Weekend of Fri/Sat/Sun 23/24/25/26 November 2018 the Welbeck Estate is holding its famed WELBECK WINTER WEEKEND and the Repository's doors will be open as part of this**

A team of Repository committee members and others will be on hand to welcome you, talk about the work of the Repository and show you round. We will have a selection of our stained glass on display for you to see close up. In addition, this year there will be demonstrations of glass conservation work and glass painting; and we will also be joined by the Stained Glass Museum from Ely who will be setting up a stall and selling their wares. So if you have yet to see the Repository at Welbeck this a wonderful opportunity to do so, and also to enjoy the Welbeck Estate as part of your visit. We hope that many members of the Livery will be able to visit us over the weekend.

**If you do plan to come, it would be very helpful if you could advise me of your intentions by email ([michaelndalton@aol.com](mailto:michaelndalton@aol.com)) saying which day you will be attending, and we will then know to look out for you. And do bring your family and friends along as well.**

In addition to seeing the Repository at work, you can also enjoy what Welbeck offers over the three days in terms of artisan food stalls, artists and crafts people filling the art marquee, plus the Welbeck Farm Shop, the Dukeries Garden Centre, the Harley Gallery, the Portland Collection and of course the other 15+ occupants of The Harley Studios. The weekend is undoubtedly a very well established event in the local calendar and Welbeck expect as many as 10,000 visitors over the three days. We will be open on all three days (Fri/Sat 10am-5pm and Sun 10am-4pm) and we hope to be very busy!! Below there are more details about the weekend, and this link to the Welbeck website will also give you further up to date details:
