Glass Painting Taster Day

About the Course

This friendly taster course will introduce you to the techniques of traditional glass painting and is both intensive and rewarding with exciting results. We give you the knowledge and confidence to further your progression in this ancient art form through experimentation.

What does the course cover?

You can choose from a selection of carefully selected designs and will learn how to mix paints, which brushes to use, how to trace, matt and shade your design and how to fire the paint and silver stain on to the glass. We provide materials and use of equipment and brushes.

Learn the centuries old techniques of mark making on glass by producing individual pieces of hand-painted work before firing them in our glass kilns. There will be a maximum of four students to ensure individual attention.

Cost per person

This one day course is £ 120. Please bring a packed lunch with you, or you can purchase sandwiches and drinks from the local shop close to the studio. Coffee, tea and biscuits provided.
