Hello, and thank you for your interest in taking one of my “Leaded Stained Glass” weekend classes on how to make a traditional leaded glass window.

The Course

This two day introduction course will help you learn all the skills you will need to make your very own beautiful A4 size coloured glass leaded window to take home. Students can choose from a selection of designs, learn how to create a full size design on paper, how to identify and choose different types of available glass, how to cut the glass to shape, how to work with lead and solder, and how to weather proof the final panel.

This is a 2 day workshop 10 am to 4pm with half hour lunch break. Please note, this course is not suitable if you are pregnant or breast feeding.

About you tutor

Derek Hunt has been running his own professional stained glass studio since 1985 and has a wealth of knowledge and experience on all aspects of stained glass. He has a degree in stained glass from Edinburgh Art School and makes new stained glass for public buildings, private homes and churches across the UK .

For more information see www.derek-hunt.com

Included in the course

Students are provided with all materials and use of studio tools and equipment on loan for the duration of the course. Each student will make their own panel to take home. Tea, coffee and biscuits will be provided.

What to bring for the course

Please bring an apron and comfortable flat covered footwear as you will be spending most of each day standing at a bench while working. Please bring a packed lunch or you can buy freshly made sandwiches, fruit or hot soup from our village shop (Saturdays only).

Cost

£ 275.00 per person including VAT
