## **OPERA GALA EXTRAVAGANZA and DINNER**

David Gowland, Artistic Director of the Jetta Parker Young Artists' programme at the Royal Opera House since 2006, will present and accompany two of his most outstanding young artists from the programme to entertain us on Monday, 9<sup>th</sup> March 2020. David has had a most distinguished career as an accompanist and assistant conductor in many prestigious opera houses of the world, including Glyndebourne, Geneva, Paris and Rome. He regularly sits as a juror on national and international opera competition panels.

The JPYA programme is one of the most prestigious such programmes in the world, taking the cream of vocal graduates from top conservatoires internationally and prepares them, over two years, for a career as principal singers in the international opera houses of the world.

As well as presenting and accompanying his young stars on the evening, David will be speaking about his insights and experiences in the opera world so, it promises to be a fascinating evening!

As this is a rare opportunity for you to see and hear the opera stars of tomorrow, CLYC is delighted to be able to open up this invitation to Livery Companies!
