

GLAZIERS' CHRISTMAS ENTERTAINMENT – MONDAY 14TH DECEMBER 2020 “A MAGICAL MERRY CHRISTMAS!”

The Master and Wardens warmly welcomed you to a Christmas event like no other, with music, magic and mulled wine. Come and enjoy a Christmas Entertainment, brought to you in your own home!

The entertainment begins at 12.30 p.m* with a welcome by the Master. This will be followed by some music, courtesy of Past Master Michael Broadway, then a chance to meet friends old and new in smaller “breakout rooms” for a chat and a chance to exchange Christmas memories, good and bad. We will then all be brought back together for half an hour of extraordinary magic by a member of the Magic Circle’s Inner Circle, Alan Hudson, the Secret Zoom. At the end of the event the Zoom link will be left open for general chat.

Please bring mulled wine or fizz, mince pies, a cracker and bucketloads of party spirit. The dress code is cocktail party or Christmas jumpers. Tickets are sold per household, so **you only need buy more than one if your family**

/friends will be watching from a separate device.

*If we are unable to hold the Installation business dinner planned for 10 December, this event will begin at 12.15 pm, with the virtual ceremonial installation of the new Master and Wardens.

GLAZIERS' CHRISTMAS ENTERTAINMENT – MONDAY 14TH DECEMBER 2020

There are two booking options.

Either: via Eventbrite and the cost is £15 per household **plus** booking fee

Click on this link: <https://bit.ly/3eWq3Ej> to book your place.

OR: pay by cheque, please make cheque for £15 payable to The Glaziers Company and **post to** PO Box 3283, Caterham CR3 4EA.

For both payment methods, please also email Alison Evans at assistant@worshipfulglaziers.com to confirm your place and payment method.

The deadline for bookings is **11th December**. ALL bookings will be acknowledged by email.

If posting a cheque, please enclose a note of your name, the numbers of tickets you require, and the name and email address of any guest you are inviting who will be using a different device.
