**THE HISTORY OF THE CITY OF LONDON AS TOLD THROUGH ITS STAINED
GLASS WINDOWS: VIRTUAL TOUR**

THURSDAY 11 FEBRUARY 2021 6.00 p.m. – 7.00 p.m.

The Master Glazier warmly invites you to join him on a virtual tour of the City's stained glass, with Anna Warrilow, Blue Badge Guide and University lecturer. The history of the City of London is a long and illustrious one, from Mediaeval plague (unusually apt!) to the Great Fire of London to the Blitz of the Second World War, alongside well known personalities such as Dick Whittington and William Caxton.

The churches, Halls and civic buildings of the City house some of the most interesting stained glass windows, each of which tell its own part of London's story. Many of them have withstood the ravages of the Second World War and can trace their history back to the early foundations of the City. We shall be tracing the story of the City of London through its glass windows.

Enjoy a fascinating virtual journey through the streets of London to discover its hidden gems. There will be plenty of time for questions.

Anna Warrilow is a professional guide and there is a fee for this event, reflecting her work in constructing and leading the tour.

The event costs £10 per household
